## Suspicious URL found un robots.txt

**Target:** http://google-gruyere.appspot.com/5

**Vulnerability:** Suspicious URL (vulnerability/suspicious/url/url)

**Criticality:** high

**Plugin ID:** testing/recon/robots

**Plugin name:** Robots.txt Analyzer

**Impact:** 0

**Severity:** 0

**Risk:** 1

### Description:

An URLs was found in Disallow tag of robots.txt. It can contain confidential content or some information leak.

### Solution:

Please visit the reference website for more information on how to patch this vulnerability.

### References:
